Best of Luck to all applicants.....The Tuchek Family

Joan Tuchek passed away rather unexpectedly in July of 2010. She was a wife, mother and friend to many. Her passion in life was her family and in addition to her loving and caring spirit she was extremely supportive of them. Throughout the years -- and most especially during the years while her children attended Medina High School -- she often worked diligently behind the scenes in a support role. Hard working and ambitious, she never looked for recognition but rather the satisfaction of her contribution and involvement. This scholarship that bears her name was established by her family as a tribute to her lifetime of love and support.
